**Re: Oshawa PUC Networks Inc. (OPUCN) 2015-2019 Custom Incentive Regulation Rate Plan (EB-2014-0101).**

**Mid-Term Update Application (Test Years 2018 & 2019).**

---

We write as legal counsel to OPUCN.

On November 12, 2015 the Board issued a Decision and Order (2015 Decision) in OPUCN's application for approval of a Custom Incentive Regulation Rate Plan (CIR Application) for the test years 2015 through 2019. In the 2015 Decision the Board set OPUCN's rates for 2018 and 2019 on an interim basis, and directed OPUCN to file an application for adjustment and finalization of 2018 and 2019 revenue requirement and rates no later than July 1, 2017. Pursuant to the Board's *Rules of Practice and Procedure*, and in particular the rules for computation of time, that filing deadline is today.

Attached please find OPUCN's Application for an Order approving final rates for the distribution of electricity for the years 2018 and 2019. This Application is also being distributed to the intervenors of record in OPUCN's CIR Application.

OPUCN is in the process of final reconciliation and formatting of the material supporting its application, which supporting material we anticipate filing shortly (prior to the end of this week).

Yours truly,

Ian A. Mondrow
