

Wondering how you can prep your 72-hour Emergency Kit?

We've got you covered!

These are the standard set of basic items suggested for your 72-hour Emergency Kit. Your full kit should be customized to meet any of your own or your family's specific needs.

The Basics

- Portable battery-powered radio
- Garbage and/or resealable bags
- Flashlights
- Power bank or emergency power backup
- Sleeping bags or warm blankets
- Basic multi-tool or tool set
- Whistle
- Toiletries
- Cash
- Batteries

Caregiving

- Food, water, and leashes for pets
- Formula/milk, bottles, diapers, and wipes for infants

Consumables

- Bottled water (at least 2L per person day)
- Non-perishable or canned foods
- Manual can-opener
- Utensils and dishware

First Aid and Medical

- First Aid Kit
- Disinfectant and Sanitizer
- Medication
