Upgrade, New, and Temporary Service Form

Please return completed forms by email to Connections@oshawapower.ca.

NOTES

1. Additional information may be required to proceed with the service request.
2. Applicants are cautioned not to incur any major expenses until all necessary connection approvals from Oshawa PUC Networks Inc. ("Oshawa Power") have been received.
3. Please contact us by email at Connections@oshawapower.ca if you have not received a reply from Oshawa Power acknowledging receipt of your submission within **5 business days** of your submission.
4. Please ensure that the address on the ESA Connection Authorization matches the service address provided (including unit number if applicable). Connection will only be provided to application with ESA address and description that matches the Confirmation or Offer-to-Connect.
5. The customer must contact Oshawa Power Customer Service Department at (905) 723-4623 to schedule disconnect or reconnect upon payment if required and receipt of all connection approvals. A minimum 48 hours' notice is required. Reconnection will not be provided until ESA Connection Authorization has been received.
6. New connections will not be scheduled until we have received ESA, the customer has set up a new account with the Customer Service Department and we have received payment if applicable.
