

Clear access paths for tranformer delivery (blue lines)

The Architect does not retain the consultants and therefore is not responsible for the accuracy of survey, structural, mechanical, electrical, etc. information shown on the drawing. Refer to the appropriate engineering drawings before proceeding with any work.

Contractor shall verify and check all dimensions and conditions on site prior to starting any of the work and report any discrepancy to the Architect and consultants before proceeding. Construction must conform to all applicable Codes and Requirements of Authorities having Jurisdiction pertaining to this application.

No investigation has been undertaken or reported on by this office in regards to the environmental condition or pollution of this site.

This drawing is not to be scaled.

All dimensions and areas to be confirmed on site by Ontario Land Surveyor.
